THE SCHOOL TUTOR COORDINATOR (STC) is Your "Main Source" of INFORMATION

We want to emphasize the important role your School Tutor Coordinator (STC) plays in your educational experience. It's crucial to get to know your STC, as they are your go-to contact for any tutoring-related questions or issues that may arise. Your STC will reach out to you via email to introduce themselves, and we recommend saving their email address for easy reference—it could be a valuable resource down the line. Additionally, your STC is responsible for keeping tutors updated on the latest news and changes in the Tutors for Kids program.
