THANK YOU TO OUR MANY TUTORS!

The Tutors for Kids Board of Directors wishes to thank everyone who worked with Tutors for Kids this school year. None of this would be successful without you. In addition to the tutors, we have a behind-the-scenes crew, many of whom are also tutors, keeping this organization running smoothly. We have student teacher coordinators (STC), book coordinators, various committees, an administration team, a systems team, a communication team, a finance team, the board of directors, and our donors.

Tutors for Kids Newsletter is going to be published quarterly

RETURNING FOR 2025-2026 SCHOOL YEAR

If you are currently tutoring, notify your STC that you want to return as a tutor

Most STCs have contacted their tutors and compiled a list of returning tutors. If you have not been notified, contact your STC about your plans.

If you are not currently tutoring, you will receive an email about completing orientation and being assigned to a school in late August or early September.

If you have **not** completed orientation, you will receive an email with the time and date for your orientation. After completing orientation, you will receive an email from Tutors for Kids introducing you to your STC to start the county security certification process. After **you** notify your STC of completing that process, your STC will inform you about the school and the time you will be tutoring. It is essential to stay in touch with your STC throughout the year.

If you have completed orientation, your STC will email you about your tutoring assignment. Again, if you have any questions, contact your STC.

If you know anyone who wants to tutor, have them go to our website and sign up.

Go to the Tutors for Kids website, tutors4kids.org and click on tutor information, click on become a tutor, complete the form, and send it. The potential tutor will be contacted by phone in late August.
