TUTOR MEETING RECAP FROM OCTOBER 15, 2025

The first Tutor Meeting of the 2025-26 school year was held at Colony Recreation Center on Wednesday, October 15, 2026. We had approximately 60 people attend the meeting. I have had several people indicate that they could not attend the meeting, so attached is the link to see the PowerPoint presentation. [Click Here to View](#) Look through the PowerPoint presentation to understand our new school team concept, school book update, explore our website as well as the latest training orientation.

We then invited attendees to share their comments and questions during an open discussion. Tutors shared their success stories with their "kids". Then the tutors shared with the group the challenges they are having with the teachers and students. Everyone was reminded that we are not to overstep our boundaries with the school problems. **We are here to give support**

and attention to our students. We should not try to solve administration issues. Questions were asked about buying books for their students, and the answer is it is not advisable. Check with your School Book Coordinator (SBC) to see if they can assist you in obtaining books.

If you have any uplifting success stories to share from your tutoring experiences, please send them to me so we can include them in our newsletter and website. We all like positive news. Send to judy0847@comcast.net

Tutors for Kids Newsletters

Some tutors have inquired about the newsletters. We will only publish them every quarter. . However, in some instances, I will send out a newsletter when there is something important to report. For instance, with the new school year starting, new tutors, and various meetings taking place, I felt an October- November newsletter was important. If you are not receiving a newsletter, tell your STC. If you are receiving the newsletter, and do not want to receive it, unsubscribe at the end of this newsletter.

What is an STC?

The School Tutor Coordinator (STC) is the **primary source of contact for the tutor**. If you have a question or need help, your STC is the first person to contact. Once you are assigned a school, you will be paired with your STC by email, make sure to save their name, phone number, and email so you have it for future reference. If you do not know who your STC is, email info@tutors4kids.org

WILDWOOD ELEMENTARY BOOK ROOM HOURS FOR NOVEMBER

The TFK book room at Wildwood Elementary (Building 1, Room 11) will be open the week of November 17-21 from 9 to noon. Books are available for Wildwood Elementary and Wildwood Intermediate Schools. **This is the time to get books for the holiday break** Every child in a class that has a tutor gets a book. **If more than one tutor is in a class, only one tutor selects the books.**

Tutors should obtain some information about the reading levels of the students from their teacher, to better select suitable books. This helps you find stories that they can enjoy.

Any tutors who are not able to pick up books that week may contact Sandy Lynch, the Wildwood School Book Coordinator at KLynchFORE@aol.com, to arrange a different time.

THE BOOK ROOMS ARE READY Wildwood, Leesburg Elementary, and Belleview- Santos Elementary Schools

The School Book Coordinators are preparing the book rooms for the school year. They will announce when the book rooms are open. If you have questions about the book program, contact the SBC at your school.
